## PERSONAL PROFILE

Lucy Hunter James is a seasoned emcee and presenter with a wealth of experience in the entertainment industry. Based in Dubai, Lucy has established herself as one of the most sought-after hosts in the region, known for her engaging personality and professional demeanour.

Lucy's career in entertainment began as an actress and singer in the UK which ultimately led her to the Middle East where she was dubbed as 'Dubai's Leading Lady' by the UAE press. As a result of her success she is often featured regularly in the media - TV, radio and print.

Lucy's talents as a presenter are well recognised in the industry, and she has been invited to host a wide range of events, from corporate conferences and award ceremonies to weddings, family fun days and private parties. Her ability to read the room and adapt her hosting style to suit the occasion has made her a valuable asset to any event.

In addition to her work as a presenter, Lucy is a versatile vocalist known for her ability to sing a wide range of styles, from jazz to pop, musical theatre, and soul, captivating audiences with her dynamic and emotive performances. She is also a skilled voiceover artist, lending her voice to a variety of projects, from radio and TV commercials to documentaries and corporate videos.

Lucy's success as a presenter is a testament to her talent and hard work. Her ability to connect with audiences and deliver a polished, engaging performance has earned her a reputation as one of the most respected hosts in the industry.

Lucy is the owner of 'West End Worldwide LLC' and UK based Popular Productions Ltd. She is an astute business woman as well as a fun loving Mum of 1 -her versatility is key!

Whether on stage, on air, or behind the scenes, Lucy Hunter James is a force to be reckoned with in the entertainment world.
